Mr John R. Williams
St. Antoine St.
Detroit Mich.

Dear Friend:

I do not know whether you will receive this letter or a wire from me first, but I thought I had better write you anyhow. I was talking to Gottlieb on the phone last night, and he said the meeting in New York may be changed from Friday the 22nd to Friday the 29th, because the 29th will be more convient for MR POSEY. He was talking to Posey on the phone, and this was Poseys desire. Isn't that something? However I am expecting a call or letter from him any minuet telling me of the change. I will wire you when I find out when we will meet definitely. I imagine Posey wants a little more time to arrange some games or something.

Please give your wife the enclosed note for me. I did not take your home address. I do not know how to thank you for my lovely visit. I had no dreams of such a pleasant trip when I left home. Whenever I go around the baseball meetings, I do so with a feeling how happy I will be when it is over, and how sorry I am to have to go. I am really sorry I could not have stayed a day or so longer in Detroit. I shall write Marion, and see if I cannot come again when she is home.

I can't remember when I have fallen so hard and so quick for any one as I did for your adorable daughter. All kids are cute, but she is really a vamp. I would like to think she just took a special shine to me, but I have to admit I imagine she is like that with everyone.

I am sorry The Cubans looked so badly. You should have seen The Grays and The Eagles here Sunday. I wish those games could have been played in Detroit. The first one Grays 11 Eagles 3 and the second Eagles 10 Grays 3. Everyone left the park with the feeling the teams were even up.

Look to hear from me again.

Sincerely
